

# DISCOUNT PROGRAM

---

Liberty Health Sciences believes that all qualified patients should have access to affordable medical cannabis to relieve their medical conditions. The company is committed to treating all patients with compassion, respect, and dignity regardless of socioeconomic, disability, or health status. Liberty Health Sciences offers discounts to help patients who meet specified eligibility criteria obtain access to our high-quality medical cannabis products.

---

## First-Time Patients

10% Discount and Free Delivery

✓ Confirmation that no prior medical cannabis orders for the patient have been filled by Liberty Health Sciences

---

## Military Veterans

25% Discount

✓ Military identification card  
✓ Veteran identification card or veteran designation on Florida driver license

# DISCOUNT PROGRAM

## Compassionate Pricing

10% Discount

✓ Proof of current enrollment in a federal or state program that provides financial assistance to the patient (e.g., recent award letter with patient name and social security number on it)

✓ If the patient is a minor, proof of current enrollment in a federal or state program that provides financial assistance to the parent or legal guardian of the patient

✓ Examples of eligible programs in which the patient may be enrolled include: Medicaid, Social Security Disability (SSD), Supplemental Security Income (SSI), Supplemental Nutrition Assistance Program (SNAP), or SUNCAP Food Assistance Program

## Important Note

Regarding discount eligibility for all patients:

- Participation in the discount program is based on the patient's financial status or military status, not that of his or her caregiver.
- If the patient's need for financial assistance or the status of their enrollment in a financial assistance program changes, the patient must report these changes to Liberty Health Sciences as soon as possible.

\*The medical cannabis discount program is applicable to residents of Florida only.
